| () Launch Express | () TASKLIB | () RLX/Translate |

Systems Environment:

z/OS Ver/Rel _____	WS MQ Ver/Rel _____	Sysplex? (Y or N) _____
DB2/z Ver/Rel _____	CICS Ver/Rel _____	CPU Model: _____
RACF or other _____	IMS Ver/Rel _____	CPU Serial #: _____

We agree to the following terms and conditions for the product trial(s):

1. Products are proprietary computer software owned by Relational Architects International (RAI).
2. We agree not to copy, sell, or give away the distributed product materials.
We agree to take reasonable precautions to preserve the proprietary nature of the software.
3. RAI will not be liable for any direct or indirect damages relating to use of the software.
4. At the conclusion of the 30 day trial period, we will either:
 - (a) commence negotiations to acquire a RAI Software Product License; or
 - (b) return all copies of the distributed materials to RAI and certify in writing that the RAI Software Product(s) have been permanently removed from our systems and backup media and are no longer in use.
